

— 4 —

I will expect this much of you that you treat me square and pay half of what is paid out as you got half of the money when Stedman paid us for the land—

Now I have heard another thing that I hope is not true and that is this— I heard you sent Roger Wilson word to summons you to testify against me in the Byrd & King case, I dont know how true this is but I hope it is all a mistake, for I know something that would give you
